

## Private Lesson Studio Policy: Dahee Park

### **Teaching Philosophy and Goals:**

Basic music sources such as good posture & hands, reading the right notes, playing right rhythm & dynamic are most important for the beginners. I keep emphasize these elements to the students. After the step, I teach inner musical sources; making beautiful sound, thinking long music lines and logical interpretation of music.

I love to demonstrate for easy understanding for students.

For all levels, I help students to keep their interesting of learning piano.

Welcome to my studio!

### **Required Materials:**

- Music books (Bring the last books to the first of the lesson. For the first time playing, I will bring a suitable book and tell you what you need for the next lesson).
- Notebook (manuscript paper), Pencil
- Water bottle (if you need one)

### **Student Responsibilities:**

- **Practicing:** There is no one type of practicing. I, however, can tell that the students must be used to the music through practice. Make a routine with productive practice. Without practicing, no improvement!
- **Recitals:** Once a year (May)
- **Music Theory:** For beginners, I give some theory assignments.

### **Recommendations for Parents:**

Please encourage and remind your child/children to practice regularly. Also, expose your child/children to music recitals and concerts of any genre as he/she can be touched and inspired by music.
